Cape Breton Regional Library

50 Falmouth Street
SYDNEY, NOVA SCOTIA
Canada - B1P 6X9

Dear Parent / Guardian,

Your child's teacher / principal has expressed interest in their students obtaining a [Cape Breton Regional Library](#) (CBRL) Card.

Many teachers are interested in their class having access to the library's eBooks & audiobooks. With a library card your child will be able to login to their library account online and read books from the CBRL collection in class. The Library's eBook & audiobook app **Libby** can be accessed from any device your child has access to in school whether it is a desktop computer, a Chromebook, or their own personal device. If students wish to keep reading at home their progress will be synced across devices.

Library Cards are free. There are no fees for borrowing books and no late fees.

However, if your child visits a library branch in person or if the bookmobile visits your school, your child will have access to the CBRL print book collection. **Any print books your child borrows which are not returned will be assumed to be lost and a bill for the lost items will be sent to your home address.**

Parental permission is required to register children under 14 years old for a library card.
